

Village of South Floral Park Board of Trustees Meeting Agenda

Date: Thursday, November 6, 2025

Time: 8:00 PM

Location: Village Hall – 383 Roquette Avenue, South Floral Park, NY 11001

Salute to the Flag

The meeting will begin with the Pledge of Allegiance. This moment allows everyone present to come together in unity and gratitude for our community and nation. It serves as a reminder of the values of respect, service, and civic pride that guide our Village.

Roll Call

The Village Clerk will conduct a roll call to record the attendance of the Mayor, Trustees, and key staff. This ensures that all board members are accounted for before the meeting officially begins. Attendance also establishes quorum, which is required for any official business to be conducted.

Approval of Minutes

The minutes from the October 2025 Board Meeting will be reviewed for accuracy and completeness. These minutes serve as the official record of all discussions and decisions made at the prior meeting. Once approved, they will be filed and made available to the public through Village Hall and the website.

Approval of Vouchers

The Board will review the list of September 2025 vouchers, which reflect payments made for Village operations and services. Approval ensures that all expenses have been verified and authorized according to Village procedures. This process promotes financial transparency and accountability to residents.

Financial Report

A summary of Village revenues and expenses for September and October 2025 will be presented. This report provides insight into the Village's fiscal health and spending patterns. Residents are encouraged to review the report, which is available both at Village Hall and on the website.

Reports of the Commissioners

Each Commissioner will share updates on their department's current projects and community initiatives. These reports keep residents informed of Village operations across public safety, infrastructure, and utilities. Commissioners' collaboration supports the continued efficiency and well-being of the Village.

Correspondence

The Village received an email on October 14, 2025, from the owner of 162 Memphis Avenue regarding water pooling in front of his home. This correspondence will be reviewed to determine any necessary maintenance or drainage actions. The Village continues to welcome resident input to address local infrastructure concerns effectively.

Old Business

There is no old business to discuss at this time. All prior matters have been resolved or are currently being implemented. The Board will revisit any ongoing items as updates become available.

New Business

The Board will consider several new items of business including upcoming elections, infrastructure updates, and administrative appointments. Resolutions and proposals will be reviewed to support the continued improvement of Village operations. Each new business item ensures alignment with Village goals for efficiency, transparency, and growth.

Upcoming Events

Residents are encouraged to attend and participate in upcoming community events and meetings. These gatherings strengthen the bonds of civic engagement and provide opportunities for residents to stay informed. Participation helps build a stronger, more connected South Floral Park.

Residents' Comments

Residents are invited to share questions, comments, or suggestions with the Board. This open forum encourages community dialogue and collaboration between officials and neighbors. The Board values feedback and strives to ensure that every voice is heard and respected.

Adjournment

The meeting will conclude once all agenda items have been addressed. A motion to adjourn will officially close the session. The Village thanks all attendees for their participation and continued support of our community.
