

INSTRUCTIONS

This application to be made out in duplicate in ink and submitted together with 2 sets of plans and specifications, each set to include architectural seal, a plot plan drawn to scale, on which must be indicated the Block and Lot Numbers. If any, or the detailed description and location of the property, also all existing and proposed buildings, and the distance of same from the lot and street lines.

Note: Building Permit and complete set of plans and specifications, as approved by the Building Inspector, must be kept on the premises until the full completion of the work authorized by such permit.

- Plans shall describe the nature of the work to be performed, the materials and equipment to be used and
 installed and details of structural, mechanical, electrical, and plumbing installations. When work exceeds \$10,000 in costs, or
 work involves structural alterations, plans must be filed by a Registered Architect or a Professional Engineer.
- Upon approval of this application, the Building Inspector will issue a Building Permit to the applicant for inspection throughout the progress of the work
- No building shall be occupied or used in whole or in part for any purpose whatsoever until an application is made for and a Certificate of Occupancy shall have been granted by the Building Inspector.

Application is hereby made to the Building Inspector of the Inc. Village of South Floral Park, for the approval of the detailed statement of the specifications and plans herewith submitted for the construction of the buildings, additions, or alterations herein described. All provisions of the Building and Zone Ordinances shall be complied with in the construction of said buildings, additions, or alterations, whether specified herein or not. Zoning side yard: 5 feet on each side. Frontage: 20 feet. Rear Yard: 15 feet. No building can be more than 2 ½ stories high.
