## WILDWOOD RESIDENTS FORM POLITICAL ACTION COMMITTEE

WILDWOOD, MO – January 16, 2018 – Residents of Wildwood have joined together to form the first political action committee with broad participation across the city’s eight wards. “Our city has made great strides over the past year and a half in being responsive to the interests of all 36,000 Wildwood residents and in moving the city in a direction that is more transparent and consistent with its principles,” said Larry Feuerstein, the group’s chair. “We want to see that continue, and it will start with the April 2018 election,” he added.

According to Feuerstein, the Progress For Wildwood PAC will seek to support candidates for elected city offices that share the organization’s views as to responsive and effective governance for all residents. “Wildwood is now 22 years old and is one of the largest cities in Missouri and St. Louis County. We want to see our elected leaders continue on the path of following our ordinances and making decisions that are consistent with our Wildwood values and take into account the interests of all residents,” said Feuerstein.

Progress For Wildwood PAC and its leadership is composed of Wildwood residents. It is planning scheduled fundraisers on a continuing basis and is already receiving contributions. Anyone wishing to contribute can mail their check, made payable to, “Progress For Wildwood PAC”, PO Box 261, Wildwood, MO 63040 (include your name, address, employer – or occupation if self-employed).
