

Please Support Munson Fire Department **RENEWAL** Levies on November 5th

On Tuesday, November 5th, Munson Township Residents will have the opportunity to renew two existing fire levies.

Renewal of these levies will ensure the continuation of critical fire and ambulance services to Munson Township. These funds will be used to maintain existing ambulances and fire trucks, as well as purchase essential EMS and fire equipment and help operate the fire station facility.

Both levies that will appear on the ballot are **renewals**, meaning that **they are not a new tax or a tax increase to the residents of Munson Township.**

- The first **renewal** is a .65 mill levy originally approved by voters in 1994. The annual tax impact is \$9.00 for the owner of a \$100,000 home.
- The second **renewal** is a 1.75 mill levy originally approved by voters in 2005. The annual tax impact is \$34.00 for the owner of a \$100,000 home.

The total revenue derived from these levies represents about 30% of the Fire Department's annual budget for 2024.

Remember:

- These Fire levies are **RENEWALS** of existing levies---they are **not a new tax or a tax increase** to the residents of Munson Township.
- Renewal of these Fire levies ensures the continuation of critical fire and ambulance services to all Munson Township residents.

Thank you for the continued support of your Munson Fire Department!
