Enter the following info:

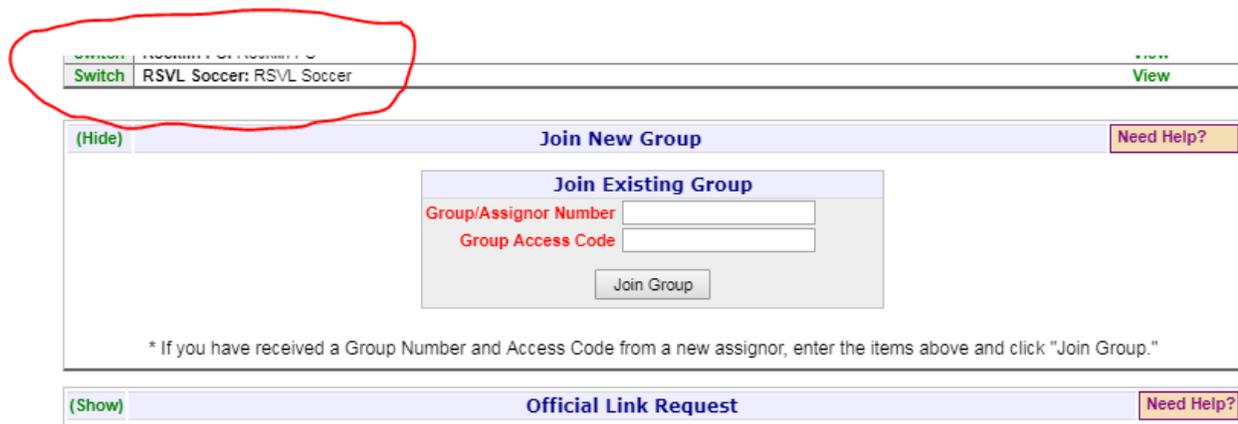

- **Group/Assignor Number:** 1319
- **Group Access Code:** goal
- Select “Join Group”

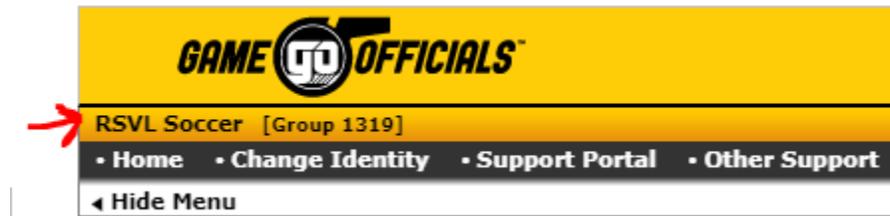

NOTE: Group Link Request has been moved to the Change Identity link

You should see” **RSVL Soccer: RSVL Soccer**” listed as one of your Assignors.

NOTE: You will also see “**CNRA: California North Referee Administration**”, but that group does not assign games. It is the referee governing & administration entity.

After you have entered our Assignor Group, make sure you are navigating under the “RSVL Soccer [Group 1319]” Identity.

If it still says “CNRA: California North Referee Administration [Group 1271]”, select “**Change Identity**”, located across the top menu, and select “**Switch**” next to RSVL Soccer.

• CHANGE IDENTITY •

If you have more than one Identity, click the "Switch" link to the left of the group you would like to view.

If you are a member of a group that you no longer wish to work for, you can remove yourself from the group by clicking the "Click To Disable" link to the right of the entry below.

Cell / Email Notices:

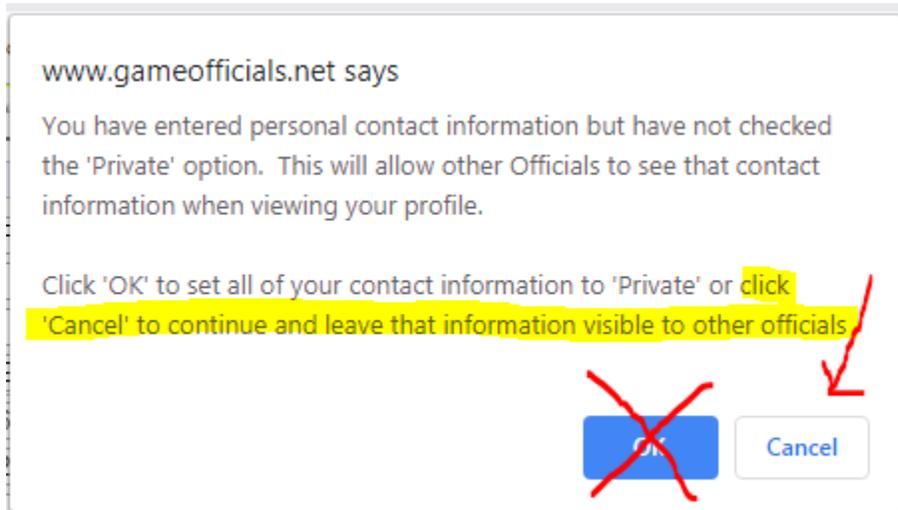

Please select “**One Per Game**”, select your **Device / Carrier**, enter your cell number (**the referee’s number, please**), check all 4 boxes under “**Notice Type (Cell Notifications Only)**” and select “**Subscribe**”.

Select “**SAVE (Modify User)**”

The screenshot shows the 'Cell / Email Notices' form. At the top, 'New Game Emails' has two radio buttons: 'One Per Game' (selected) and 'One Per Batch'. Below this, there is a dropdown for 'Device / Carrier' set to 'AT&T' and a text field for 'Phone # / Pin # / etc.' containing '916XXXXXX'. A section titled 'Notice Type (Cell Notifications Only)' contains four checked checkboxes: 'New Game Assignment', 'Game Detail Change', 'Game Cancelled', and 'Unassigned From Game'. At the bottom, 'Group Emails' has 'Subscribe' selected. A 'SAVE (Modify User)' button is visible at the bottom right of the form area.

SAVE (Modify User) ✓

NOTE: A confirmation pop-up window will open. Please click “**Cancel**” to save. I know it sounds counterintuitive, but clicking “**OK**” will revert to Private.

Other Officials may sometimes need to look up the referee’s contact info in order to communicate with him/her regarding a match. It’s important to have cell & email info available to other Officials.
