THE MANY FACES OF HUMOR

People laugh at different things. As examples:

- * Comedians of the variety of Henny Youngman, Joan Rivers, Rodney Dangerfield and Phyllis Diller.
- * <u>Situation shows</u> as brought to you by Archie Bunker, Carol Burnett, Seinfeld and The Honeymooners.
- * Comedic movie performances as starred by Bob Hope, Abbott & Costello, Oliver & Hardy and many more.

Bob Herman brings them all together in one performance that is bound to please everyone's taste.
