About the Speaker

Wanda Chavis

raised in a Pastor's home and married her husband, Pastor Jeff Chavis in 1975. Wanda and Jeff have dedicated their lives to Pastoral ministry in Spring Lake, NC. With over four decades of leadership at United. The Pentecostal Church, Wanda has become a respected figure in the community. Her passion for empowering women in ministry led her to establish, "Leading Ladies", an online mentoring platform, and "Parsonage Women", a retreat & support group for Pastor's Wives and daughters. In addition to her contributions to the ministry, Wanda's personal journey took an unexpected turn when she faced breast cancer in 2008. This life-altering experience ignited her pursuit of physical insight and ultimately led her to obtain a B.S. in Alternative Medicine and an M.P.H.A. Today, she is the proud owner of Picture of Health & Thermography, LLC, a thriving brick-and-mortar business. As a published author and speaker, Wanda loves sharing spiritual insights and practical wisdom. Her love for the beach and all things coffee, coupled with spending time with her ten grandchildren are her favorite moments in life.
