ABOUT THE SPEAKER

Sarah Long serves alongside her husband, Landon Long, who is Pastor of Greater Life Church in Webster, TX. In her home church, you can find her greeting in the foyer each service—making people feel at home is her passion. Above all else, Sarah's pride and joy is her family and being a homeschool Mom of her three precious boys! She loves to make her home a joyful, cozy place for all and loves to have family game nights and bible studies with friends around her kitchen table, usually with a large cup of coffee in hand. Sarah considers herself a daily student of the word. Her favorite scripture is Psalms 100:2, "Serve the Lord with gladness..." and she tries to passionately apply that to every relationship and area of her life.
