Reviews from New Clients:

"BEST. DECISION. EVER. 🎉 Every song had people singing, dancing, transitions were flawless, the playlist was fire, and he even took requests like a champ. If you're looking to throw a birthday party, people will still be talking about it weeks later, this is your DJ. 100% recommend." Christina Powell, Sun Ranch

"Wow! DJ Jazzy Jake is the BEST DJ! We hired him for our 50th High School Reunion and he was the hit of the night! He kept the party going way past our end time because people didn't want to stop dancing! His playlist was on point and flowed. He is extremely professional, personable, funny, and wasn't obnoxious on the microphone like so many DJs are. We hope he'll be available for our 55th." - Jana Scott, Host, Class of 1975

"Jake went above and beyond to make my 60th birthday unforgettable. His patience, attention to detail, and professionalism stood out, and he brought warmth and fun to the event. We're so grateful!" - Anna Hopkins, Host

"DJ Jakey is fantastic, working closely to curate the perfect playlist and communicating clearly throughout the planning process. Highly recommended!" - Sarah Robbins, Teacher, Murrieta ATP

"We had over 100 people. He was great at reaching out and being proactive before the wedding regarding the timelines and songs we wanted for every part. We weren't the most organized and Jakey was super flexible for us and spontaneous changes weren't a problem for him! We would book him anytime and the pricing is unbeatable." - Shane and Bernie Rinde, Bride & Groom
