

PAUL OLDT AWARD – MOST IMPROVED OFFICIAL

This award is presented annually to the official who has shown the greatest improvement over the previous year or continues to show growth over the past few years. This award is typically given to an official who has more than three years' varsity experience but less than ten. This official has shown an increased knowledge of the rules, and practices good mechanics and positioning on the field. The recipient applies good common sense in making calls and judgments and is regarded as one of the better officials in the association. This official has advanced from the level of a promising young official to that of an experienced and dependable official.
