

BEST PRACTICES

to Help Stay Safe from the Coronavirus

The health and safety of our guests and associates is our top priority.

As a result, you may experience changes to some services during your stay in response to COVID-19 (coronavirus) including:

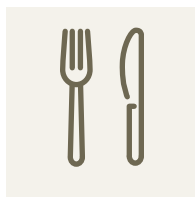

SOCIAL DISTANCING of both hotel associates and guests by avoiding close contact with others (minimum distance of 6 feet per CDC guidelines).

ADJUSTMENTS TO HOUSEKEEPING service timing to ensure appropriate social distancing. While housekeeping may not occur on a daily basis at this time, it is available upon request during your stay.

Please note that we will continue to use cleaning and disinfecting protocols to clean rooms after guests depart and before the next guest arrives, and always with particular attention paid to high-touch items.

MODIFICATIONS TO THE BREAKFAST OFFERING in keeping with recommended food safety best practices and local jurisdiction health requirements.

Thank you for your patience at this time and for choosing us for your stay.
