PLANNER NOTES:

Pre-Application Meeting Narrative

We would like to request a pre-application meeting to discuss the project described below, with the planning, zoning, engineering, utilities (water and sewer), transportation, fire, and any other relevant departments that you feel would have some input for this project. At this meeting, we want to discuss the applicable zoning/development permitting processes and schedules, and access management, utilities, development standards, and other design requirements for the project.

The applicant desires to develop a bulk fuel storage and distribution terminal where petroleum products (gasoline, diesel, and jet fuel) and liquid propane will be received by rail car for bulk storage on site for wholesale distribution to gas stations and other commercial users in the surrounding market area. The conceptual site plan for the proposed facility is attached for discussion.

Pre-application meeting, planner notes

Preapp held in DRC conference room 6/9/22 at 2pm. Staff Attendance: Scott Ashley, Keith Abrahamson, Samantha West, Sarah Cushing, Melissa Winsett, Michael Hanson.

Based on what the applicants are looking to do they don't actually need a rezoning as the property is already I-2/A-2 in the airport protection overlay as they are looking at developing a rail freight terminal for distribution of oil, fuel, propane. They had thought because the I-1 permitted uses allowed a rail yard they needed to rezone to that, and didn't understand that the I-2 zoning allowed the less intense industrial uses as well. They will not be moving forward with a rezoning case.

They will need to go through the final site plan process and Samantha was there to tell them that, so they'll have to go through TRS and DRC as such, so you really didn't miss much. The remaining staff answered some basic questions regarding their respective areas for the applicants, so they'll have an idea what they'll need before they get to TRS.

Good Afternoon,

Thank you for your pre-application meeting request. Please keep in mind that we currently have a substantial lead time on these pre-application meetings and appreciate the patience and understanding as we help you through this process. Pre-Application meetings are scheduled for one hour and can be held virtually with GoTo Meeting, teleconference, or in-person at the Planning office located at 123 West Indiana Avenue, Room 202, DeLand, Florida 32720. We have the upcoming availability for you to choose from:

Thursday, June 9, 2022 meeting time from 10:00 a.m. through 11:00 a.m. or 2:00 p.m. through 3 p.m.

Tuesday, June 14, 2022 meeting time from 2:00 p.m. through 3:00 p.m.

Please respond with your preferred time and whether you would like a virtual, telephone or in-person meeting or if you would like me to provided additional availability. Appointments fill quickly, so please respond as soon as possible. Thank you.

If I may be of further service, please let me know at your convenience.

Sincerely,

Alisha Brantley

Comments

1. The current version of this site plan will require Final Site Plan approval, under Division 3, of the LDC. The first step in the process is submission of a Conceptual Site Plan (CPN) pursuant to Section 72-577, of the LDC.
2. The subject property was approved via Rinker/FEC RR Unrecorded (2008-5-EXM-0031) and complies with the exempt provisions of the subdivision regulations.
