

OUTREACH

Volume 30, Issue 8

First United Methodist Church

August 23, 2018

Greetings in the Name of Christ!

Getting connected is an important part of life, no matter to what area of life you refer. But I believe being connected to God... and neighbor... is critical as we live our lives. From the very beginning, God's plan was to connect with human beings, making a special 'garden of Eden' in which to do so. (Genesis 2) It was a place where the Creator and his creation, Adam and Eve, could connect with each other. All Adam and Eve had to do was to stay away from eating the fruit of the tree of good and evil. Of course, that didn't happen, and their punishment (and ours) was to disconnect with God as we were expelled from the garden. (Genesis 3) Out of the garden, we too often chose evil, and distanced ourselves even further from God and neighbor when Cain slew his brother Abel over who had found favor in God's eyes with their sacrifice. (Genesis 4). We become disconnected from God even further, and God decides to permanently disconnect with humanity and creation through a massive flood, but connects with Noah. God then asks Noah to be faithful and build an ark for his family and the animals that will fit on the ark. That connection saves humanity and the animal kingdom, and humanities' lineage connects with Noah's connection with God. The remainder of the Bible speaks of God attempting to make connections with humanity so that we will live our lives, connected with God and each other, in love, grace and harmony. Two thousand years ago, God sent Jesus to be the "Second Adam" (Roman 5:12-21; et al) In effect, through the "Second Adam", Eden was restored, if only we would choose to get connected with him and follow him.

That's why getting connected is so very important. When we connect here at Hays First United Methodist Church with God and neighbor through the "Second Adam", we experience what humanity has been seeking since the fall of the "First Adam". And there are countless ways for connecting with God and each other here. On August 26th, we will focus within our worship and fellowship experiences, the new line-up of classes and gathering for all ages and stages of life. Sunday mornings will be filled with opportunities to 'get connected' with God and each other through our Christian Education classes from 9:35 a.m. to 10:30., and Wednesday evening W.O.W. events and activities will help get you connected with a fellowship meal for all ages (5:00 to 6:00 p.m.), followed by a student led worship service in the sanctuary (5:50 to 6:15), and then choose from an amazing array of Christian Education classes for all ages and stages of life (6:15-7:15).

I would be remiss in my duty as your pastor if I didn't invite you to be a part of my new "Get Connected" Class that focuses on how we get connected with God and neighbor through the expression of our five vows of membership... Prayers; Presence; Gifts; Service; and Witness. It is designed for those who have recently joined the church, those who are interested in knowing more about joining, and those who have been inactive and want to reconnect.

Please email your OUTREACH item to haysumc@hotmail.com before Sunday, September 16, 2018.

Please do not use this as an "Outreach" path of file. On Sunday, August 26th, come and be heard for the Outreach, in the office by **Sunday, September 16, 2018**. The next Outreach should be received by September 20.

Grace and Peace, Pastor Mike

Thank You

Words cannot express just how very much we appreciate the generous donations to the Hays H.S. food pantry! The students and staff of the Vacation Bible School went above and beyond to ensure that the pantry is stocked with the items needed for the start of school.

Thanks to Don Forsberg for repairing the water fountain in the second floor hallway.

Our prayers may be awkward. Our attempts may be feeble.

But since the power of prayer is in the one who hears it and not in the one who says it, our prayers do make a difference.

Max Lucado

School is back in session and we are busy planning fall events for the Children's Ministry

KIDS CORNER

First, I would like to introduce Melissa Pyle to the team! She is taking on the role of Chi Assistant effective August 13. Melissa and her husband Chris have three children; Abig; Amelia. Melissa has been an active part of the children's ministry program as a teacher preschool aged children on Sunday mornings and at WOW for the last four years. We are on staff and excited for the new ideas and energy she will bring to our program.

At the same time, we wish Rebecca Kuehl, my four year P.I.C., a fond farewell as she exits as staff and is free to pursue other avenues. She did mention to me that she might pick up some classes and plans to sub in USD 489 at some point. Her creativity, leadership and dependability will be missed greatly and we wish her the best of luck as she and Robbie enjoy having two middle schoolers and a Kindergartener this year!

VBS was awesome! Highlights: 76 rafters, over 50 dedicated volunteers, lots of giggles & smiles and a whopping 1,517 items donated to benefit both the HHS and HMS pantries. Both schools were SO surprised and pleased when our team of Youth and Matt showed up with bags and bags of goodies! Thank you to everyone who helped in any way to make our VBS such a huge success.

Our Summer Sunday School "Bible Treasure Hunt" was a lot of fun with an average attendance of 11 treasure hunters weekly. New Beginnings Sunday, August 19 kicked off a brand new school year where we welcomed teachers and kids to regular Sunday School classes.

We welcome Thomas and Marla Copper to our teaching team, as they have agreed to co-teach the 2nd and 3rd grade Sunday School class this year. This is especially important in our church's area because our bright students will be receiving their own Bible at New Beginnings Sunday. The class will begin an exciting "Your Bible" curriculum beginning August 26. Congratulations to these 2nd graders who received their Bibles: Addison Bozza, Trey Brown, Logan Cunningham, Mason Cunningham, Jacy McMurtrie, Eli Reed, Isaac & Noah Schumacher and Donovan States.

WOW (Worship on Wednesdays) is set to start September 5. More information available at the New Beginnings Information Hour on Sunday, August 26 @ 9:30 in the Welcome Center/Parlor.

Thank you for caring about the children of our church. If you ever have questions or concerns, don't hesitate to contact either Melissa or I at (pyle_melissa@hotmail.com or jswayne33@gmail.com).

Matt Dumler, Youth Ministry

...ople will perish...” Proverbs 29:18 . The other night we hosted a lock in for our ol students. It was full of energy, junk food and a very late night. Something else it d vision casting. Around midnight, we rounded up the kids, sat them down and had t casting a vision for the upcoming school year. We talked about the hope that a t hope can build. We discussed those things that can come and steal your vision from you. Everything from mismanagement of time, the inability to say no and even friends, can steer you away from where it is you want to go. We laid out strategies the kids can use to stay on track and to get back when they fall away.

The beginning of a new school year offers the students the chance for a fresh start. They can join new clubs, develop new study habits, make new friends, and even form new personal values. This is also a chance for the “old” students, meaning adults, to sit down and cast a new vision for themselves. It is a chance to evaluate those areas in your life that need a new direction and a new vision. Maybe it’s finances. Maybe it’s a job. Maybe it’s faith itself. With a new vision comes a new hope.

We encouraged our kids to take some time to pray and see the new direction the Lord is taking them. Then, write it down and put it someplace that it can be seen on a regular basis. My wife uses post it notes. It isn’t uncommon to find post it notes stuck to our bathroom mirror, kitchen cabinets, or our kids’ foreheads (just kidding on the last one). Seeing it helps the drive to accomplish never fade away. Seeing it helps it become a reality. I encourage you to do the same.

One of our volunteers has cast a new vision and a new direction for his life. **Brett Bruner** will be leaving us at the end of the month to take a new job out of state. Brett has been an integral part not only to our youth ministry over the years but to the entire church as well. Brett is leaving behind a hole that will probably take more then one person to fill. I want to personally thank him for helping me get through this first year and making it a good one. Brett is one of those volunteers that you wish you had ten of and he will be greatly missed. Good luck on your new endeavor and know that you are welcome back at any time.

PARSONAGE MATCHING FUNDS CAMPAIGN

This year we started a parsonage matching funds campaign to help the church invest in a new parsonage. This has helped ensure that our current pastor has a safe, comfortable home to reside in, as well as subsequent pastors in the future. We wanted to share an overdue thank you to all those who have donated, continued to donate, and/or supported this campaign in one way or another throughout the year.

The finance committee is happy to report that the church has received just over \$31,000 in donations as of 6/30/18! This is the amazing type of support the finance committee was seeking when we started this campaign, and it also means that there is still almost \$19,000 left in matching funds.

Please remember that these remaining matching funds will be utilized to double any contribution you make, dollar for dollar, up to that amount. Simply drop a check in the offering plate on any Sunday with “Parsonage Fund” written on the memo line or keep a look out for special “Parsonage Fund” envelopes placed in church bulletins on the first Sunday of each month.

So, once again, we ask that you prayerfully consider starting your contribution to, or continuing your wonderful backing of, the parsonage matching funds campaign.

The faithfulness of our church family is a wonderful thing to witness.

Sincerely,
The Finance Committee

Your church **Audio team** is currently looking for additional volunteers to join our group.

No experience is necessary. We will train you. Time involved might be once or twice a month for Sunday services. No tests or homework is involved. Responsibilities include microphone set-up for first and second services, operating the audio console upstairs during the services, and putting away mics and stands following the second service.

The **Audio team** is also looking for 4 volunteers to train to operate our video system which will be coming this year. This would involve two volunteers at the video desk for the 10:45 service each Sunday. The time commitment would be every other Sunday for each pair of volunteers. If possible, we would like a commitment of at least a year.

If you might like to explore the possibility of joining our merry band, get in touch with Tony Anthony, Mark Kellerman, Marsha Swanson or Mike Cooper (or call the church office, 625-3408).
