

Dear Hays FUMC,

In the month of March we will begin hosting events for our “Legacy-Community-Future” capital campaign. Please plan to attend one of our campaign information sessions listed below to ensure you have all your questions answered about why we are having a campaign, what projects we are working on, and how they are connected with the mission of God through us.

Our campaign Commitment Sunday is May 3rd. It is vital you have all the information you need to intentionally pray and discern your participation and what the Lord might be leading you to generously give to these renovation projects. Here are some ways you can engage:

- ♦ Attend an informational event
- ♦ Pick up your discernment packet on Sunday, April 12th.
- ♦ Pray.
- ♦ Ask your questions.
- ♦ Bring your pledge card to worship on May 3rd for Commitment Sunday

We are here to answer your questions about this important \$1.2 million campaign. We have more than 50 volunteers engaged in this project who are excited to share the details about how Hays First will reach out into our community, for this generation and for generations to come.

Yours In Christ,

Pastor Susan
