

SHARE THE WEALTH

3D JACKPOT SERIES

\$2500 Added - \$500 guarantee payout per jackpot division!

COMBINED SCORES in AQHA & APHA CLASSES

A new twist on some of your favourite classes!

Earn your share of the jackpot based on your **score**
not just your regular class placing. Every point can matter!

Trail • Ranch Trail • Ranch Riding • Horsemanship • Showmanship

QUICK FACTS

\$500 GUARANTEED - Added to every eligible class

\$25 ENTRY - Per horse/exhibitor/per class combination (multiple chances to win!)

HOW THE 3D WORKS

Each eligible class type will have its **own jackpot**, with **\$500 guaranteed added money**.

1D = 0–3 points from the high score

2D = More than 4-6 points from the high score

3D = More than 7-10 points from the high score

- The highest score sets the benchmark for 1D, 2D and 3D.
The highest score achieved by any jackpot entrant in that class type becomes the high score.
- Jackpot placing is separate — your regular class placing does not determine your jackpot placing.
- Three places pay in each 3D — 1st, 2nd and 3rd, according to the jackpot payout structure.
- Money rolls up — if a division does not have enough qualifying exhibitors for all three payouts, the remaining money moves up to the next higher division.
- Ties are broken by the tie-breaker judge's score.

Each division pays 3 places!

- 1st — 50%
- 2nd — 30%
- 3rd — 20%

AND The jackpot itself is divided:

- 1D — 50%
- 2D — 30%
- 3D — 20%

Example - ONE CLASS TYPE = ONE JACKPOT

All eligible divisions within the same class type compete together for **one jackpot**.

For example, **Showmanship** is designated as a SHARE THE WEALTH class, the scores from the eligible:

- Level One Amateur (Class #58)
- Level One Youth (Class #59)
- Level One – Non-Pro Horse (Class #57)
- Novice Amateur (Class #405)
- Novice Youth (Class #403)

These exhibitors may be competing in different regular class numbers, but their scores are combined for the purpose of determining the SHARE THE WEALTH payouts.

The same concept applies to each designated class type.

Example:

SHOWMANSHIP

Level One Amateur + Level One Youth + Level One Non-pro Green Horse + Novice Youth + Novice Amateur

ONE COMBINED JACKPOT

THREE SCORE-BASED DIVISIONS

The jackpot is determined by **score**, not by regular AQHA/APHA class placing.

The SHARE THE WEALTH 3D Jackpot Series is only made possible
