**Ties:** The following system will be used to determine ties: First place shall be determined by the ranch riding score. If a tie remains then, work off between the tied competitors in a ranch riding pattern. Of if mutually agreed upon by the contestants will be declared Co-Champions and coin will be flipped for the prizes. (If they do not agree, the exhibitor who does not want to runoff will forfeit first place to the other.) If a tie is not discovered on the day it happens a coin flip must be used to determine the winner. Ties below first place will split earnings and points, if applicable. Rounding of points may occur up or down to the nearest half point. If the class would pay 6 places, and there is a three way tie for 6<sup>th</sup> place all three riders would split the points for 6<sup>th</sup> place and related earnings.
