# WHAT TO PREPARE

## Registration

All children participating in drop off open play as well as day camps must register. Please bring a copy of your government issued ID card, your child's medical insurance information (used only for emergencies) and fill out registration documents. You may obtain these documents at the front counter. List all of your child's conditions, allergies or other particular needs.

## Pack Some Essentials

Please pack your child a change of clothes, diapers and wipes (if applicable). You can send your child with snacks only in their original packaging. We are sensitive to allergies and we are a peanut free zone. We require snacks from outside to be in original packaging so that we can read the labels. We do serve hot meals here for only \$6 anytime. Please pack your child's blanket if your drop off coincides with their nap time. We do have a dedicated nap room! Any medication that your child may need in case of an emergency (EpiPen or the like).
