**Cusseta, Georgia**

**8:00 AM to 5:00 PM**

**Chemical Immobilization Certification** – Chemical Immobilization offers an alternative to the use of lethal force in response to animals that represent a danger to the public. This course will certify officers to chemically immobilize commonly-encountered animals, such as dogs, wildlife, exotics and agriculture animals. Humane techniques and methods, drugs and delivery devices, and deployment protocol (what qualifies an animal for chemical immobilization) will be discussed. This course includes both classroom and practical training.
