Comprehensive
Animal Management
Certification

Nov 30-Dec 2, 2026

**Kansas City, MO** 

**Training Course Topics** 

**Advanced Case Supervision -** Handling complex cases as a supervisor is a different world. This segment focuses on the myriad of cases that require oversight and direction. How to handle a case as a manager, not a line officer.

**Basic Budget Planning -** Money management, basic purchasing tips and how to submit requests are covered.

**Disciplinary Investigations -** Basic steps for violations of workplace rules and regulations are covered including how to conduct interviews, document findings and write-up counseling statements, reprimands, personal improvement plans and disciplinary findings from a generic standpoint.

**Equipment, Vehicles and Operational Needs -**Recommendations for basic equipment, vehicles and supplies are provided along with information on how to maintain that on a daily basis. "How to" fix animal control equipment and where to get supplies are also covered.

**Evaluating Staff -** How to create & maintain performance standards along with how to document monthly, yearly and probationary periods. Phraseology, techniques and tips for completing these tasks and related paperwork.

**Interviewing and Selection -** How to find the best choices for the job. Skills in reviewing applications, posting jobs and creating interview questions are covered.

**Managing Generational Employees -** This segment covers the types of generational employees in the workplace and how best to manage them to get high performance.

**Meetings: Individual, Specific Groups, Entire Staff -** How to schedule meetings and set agendas is offered in this segment. Managing attendance, determining needs and outcomes for effective meetings.

**Policy and Procedures: Review and Development -** How to create, review, implement and update policies and procedures are discussed with examples & sample materials to build on provided.

**Pushing Paperwork: Reports, Memos and Correspondence -** How to compose and handle routine as well as complex correspondence is reviewed. Letter, e-mail, telephone, or text? Picking the best means is half this battle. Public records & records retention schedules are mentioned in addition.

**Supervising Daily Operations -** Scheduling, handling leave requests, motivating & directing employees are part of everyday operations.

**Training and Staff Development -** Training needs assessments and evaluating skills are covered here. How to arrange in-house, contractor and related training is reviewed.

**Transition from Staff to Supervisor -** This segment shares information on how to move from staff to supervisor. Information on confidentiality, challenges and changes that come with moving up in the chain of command.

**Workplace Harassment and Violence -** This section covers the generic subjects and highlights practices to avoid as well as how to mitigate instances in the work environment.
