

The PATH Fund, Inc.® is a nonprofit organization committed to championing arts education. We firmly believe that artists bear a responsibility to nurture our community and empower the next generation in the performing arts. Our mission is to provide unwavering support and inspiration to artists as they navigate and discover their unique artistic paths.

ROCKERS ON BROADWAY the famed, annual fundraising concert that honors rock legends and promotes the next generation of talent. The flagship event was the inspiration for the creation of The PATH Fund.

ROCKERS ON THE RISE a new mentorship initiative that enables young artists to audition, perform, direct and produce their own shows with personalized mentoring and hands-on training to gain real-world experience.

R.O.B. RECORDS in partnership with Jazzheads, stands as PATH Fund's exclusive record label. Our label empowers artists to write, produce, record, and launch their own music.
