WHAT WE DO

We're a 501(c)(3) non-profit organization dedicated to providing the resources, mentoring and experiences to the next generation of performing artists. We also support NYC's thriving arts community in developing new works of music and theater. In times of urgent need, we're here to help the entire performing arts community.

WHO WE ARE

We're a community of artists, writers, musicians, designers, crew, producers, directors and fans — coming together as one — to help others.

WHY WE DO IT

As an artist community, we're here to inspire and empower the next generation and help them find their PATH to success. As arts programs in educational institutions are being reduced or eliminated due to budgetary restrictions, we provide access to training and mentorship/

By helping organizations teach the tools of success for this industry, we ensure that our performing arts community continues to grow and thrive.

HOW WE DO IT

- Sponsor charity concerts
- Develop new works
- Organize corporate fundraising events
- Mentor promising performers
- Provide individual grants
- Offer master classes, and more.

Established in 1993, Rockers On Broadway unites Broadway performers and Rock 'n' Roll icons to support charitable causes. This event serves as The PATH Fund's main fundraiser and was the catalyst for founding the non-profit organization. Throughout the years, Rockers On Broadway has cultivated a distinctive event that engages numerous individuals from the entertainment sector, all coming together for a meaningful purpose!

ROCKERS ON THE RISE

An innovative platform that empowers young individuals to audition, perform, direct, and produce their own shows.

We nurture emerging talents with personalized mentoring and training via master classes conducted by industry experts.

BBK ROCKS

In partnership with Broadway Bound Kids, BBK Rocks is a three-week Pop/Rock performance intensive offered completely tuition free for students grades 7th-12th. This program has been created for students who possess a passion for Pop/Rock music, but lack access to training.

Teaching Artists will work with students on Pop/Rock performances customized to each student's creative aesthetic, and will collaboratively create two group numbers. We will build community in our classes while working towards creating a final product, and offer a chance for our students to grow their relationships with music!

Because of The PATH Fund and ROCKERS ON BROADWAY the kids have theaters to perform in!!! They'll get to feel like the real, amazing performers that they are and have the heightened theatrical experience and gained confidence that is only possible when one gets to be on a STAGE! Thank you also for your constant support and wisdom and guidance.
- Erin Glass, Founder

In partnership with Jazzheads, R.O.B. records stands as PATH Fund's exclusive record label. Our label empowers artists to write, produce, record, and launch their own music.

OVER 1.9 MILLION STREAMS AND COUNTING

Donnie Kehr's **'Beautiful Strange'** is a scrapbook of memories in tune. As he had done with his first solo album 'Shift', Donnie wrote, recorded and produced 'Beautiful Strange' in New York City. These songs were inspired by people who profoundly influenced Kehr's life. This album is dedicated to all those people and his dad Harry 'Skip' Kehr, with gratitude & love for enlightening his soul and touching his heart.

COMING FALL 2025

Rockers On Broadway: Live – Volume 2 picks up where Volume 1 left off—showcasing powerhouse performances from the most recent years of Rockers On Broadway. This fresh collection features standout live tracks from Broadway stars, music legends, and rising talent, all delivering unforgettable renditions of classic and contemporary hits. It's another high-energy celebration of the music that moves us—and the artists who keep rock alive on stage.

The theatrical development arm of our organization, working with aspiring writers to create new plays and musicals. We collaborate with emerging talent and seasoned Broadway veterans to bring fresh, innovative works to life.

In 2013, we won Best Musical at the Midtown International Theatre Festival for a production written by two of our college interns. Today, PATH Productions continues to develop exciting new projects, championing the next generation of theater creators.
