

General Information

The **Pink bourbon** variety Pink Bourbon is celebrated for its complexity, offering the body of a Bourbon with the floral elegance of a Geisha.

Best Enjoyed As:

- 1. **Specialty Black Coffee:** Best in manual pour-overs like **V60** or **Origami** to appreciate its fruity clarity.
- 2. **Premium Cold Brew:** Its high sugar concentration makes it perfect for cold-steeping, resulting in a naturally sweet and refreshing drink.
- 3. **For the Curious:** The perfect choice for those looking to move beyond traditional flavors and explore a sophisticated balance of fruit and sweetness.
