Dancer of the Month

Everette Hawthorn is our March Dancer of the Month! Everette is a sweet young dancer who always brings a kind, loving attitude toward her teachers and classmates. She is one of the youngest in her level after moving up this year, but she has risen to the challenge and is doing a wonderful job. Everette is often seen practicing her steps before and after class, showing her dedication and love for dance. She is truly a joy to teach and we are so proud of her!
