FREEDOM
OFFICIAL LYRIC
ARTIST: **Catchy**

Freedom whoa Freedom

Freedom whoa Freedom
Freedom Freedom

Gotta work, gotta work
Wanna play, wanna play

Gotta work, gotta work
While they fly, fly away

No more locking us down
Not again. not again
Aint no way

Hands in pockets they take and they take
go away , go away

Freedom whoa Freedom
Freedom whoa
Freedom Freedom
Freedom Freedom

Gotta work gotta work
Wonna play
while they fly away

Wanna take all our cash
And lend us our pay
It's the new workhouse way

Wanna know where we've been
Where we go
what we do
What we say

Freedom whoa Freedom
Freedom whoa Freedom
Freedom

OFFICIAL LYRICS

These times will go down in history
1% had their victory
For all those souls who were misplaced
Discriminated and disgraced
The change is coming round (real soon)
Singin'

Freedom whoa Freedom
Freedom whoa Freedom
Freedom whoa

No more locking us down
Not again
Not again
AIN'T NO WAY!
