

OFFICIAL LYRICS

I'M THE BEST

(내가 제일 잘 나가)

OFFICIAL LYRIC

ARTIST: **Catchy**

They think they've got you where they want you
They think they know where you've been
They think they know about your story
And you keep letting them in

You've got to stop and smell the roses
You've got to take a little time
Pay attention to their actions
Words can hide all their lies

CHORUS 내가 제일 잘 나가
 I'm the best don't you know
 내가 제일 잘 나가
 I'm the best don't you know
 내가 제일 잘 나가
 Say it loud and say it low
 내가 제일 잘 나가
 I'm the best don't you know

You've got yourself deceiving
You've got yourself confused (You're not confused)
You've got to stop this believing
That you need them to approve
Get your head together
And take a page from my book
Sing this song together
They call it CATCHY'S hook

(CHORUS)

Trust in yourself you don't need no one else
Trust in yourself you don't need no one else
Trust in yourself you don't need no one else
Trust in yourself you don't need no one else

No you don't need no one else

Let me hear you singin'

(CHORUSx2)
