

OFFICIAL LYRICS
ROADHOUSE BLUES

OFFICIAL LYRIC
ARTIST: **Catchy**

Baby baby baby
What's a girl to do
I've been watching you for hours
And I know that this ain't through
Baby baby baby
What's a girl to do
Baby baby baby
Got them Roadhouse Blues

Silk stockings baby
Denim skirt too
Painted fingernails
Just to suit my mood
Baby baby baby
With these nails of blue
Gonna paint a picture baby
Called the Roadhouse Blues

Paint a picture baby
With nails oh so blue
I was wonderin' if you'd like to see
How this colour looks on you?
Baby baby baby
Tell me what to do (what to do)
Let me paint a picture baby
Called the Roadhouse Blues

Take it away boys!

[Instrumental]

Baby baby baby
What you gonna do
I've been watching you for hours
Watching me
Watching you
Wanna paint a picture baby
Called the Roadhouse Blues
Let me paint a picture baby
oh these Roadhouse Blues
