# SAD BABY

OFFICIAL LYRIC

ARTIST: **Catchy**

Sad Baby, don't you cry  
Give the lovin', one more try

Give yourself some time  
Some time to clear your mind  
Sad baby don't you cry

Time can heal the wounds  
That leave the scars on you  
Sad baby it's alright

Sad baby don't you cry  
Give the lovin' one more try  
You can do it if you take the time  
Sad baby, don't you cry

We've all been hurt before  
No one wants more  
Sad baby don't you cry

SMILE...SMILE  
Sad baby don't you cry

SMILE ....SMILE  
Sad baby don't you cry

Sad baby don't you cry  
Give the lovin' one more try  
You can do it if you take the time  
Sad baby, don't you cry

Time can heal the wounds  
That leave the scars on you  
Sad baby it's alright
