## EASTER JOY, FOR YOU

A simple poster on the notice board of a church depicted a silhouette of three crosses on a hill, and underneath the words, 'FOR YOU'. Nothing fancy or clever, but a clear presentation of the Easter message.

At Easter our thoughts are drawn to the death and resurrection of Jesus. These events are central to our faith, but sometimes we can over-complicate their meaning. The heart of it, though, remains very simple: Christ died for our sins according to the Scriptures, and on the third day was raised to life (1 Corinthians 15:3).

**He died to show his love for you.** He gave his life as a demonstration or proof of the love he has for each one of us, no matter who we are or what we have done. He was motivated to lay down his life for us, not out of duty or obligation, but compassionate love. See Romans 5:8

**He died to set you free.** Sin has entangled every one of us. We are under its power and unable by ourselves to loosen its grip. At the cross Jesus dealt with sin once and for all by dying in our place. Now, when we turn to him for help, we can be released from the hold it has on us and find complete forgiveness.

**He died to bring you home.** The Cross makes it possible for us to be reconciled to God. Like the prodigal son we were once far away from God, but now because we have been forgiven, we can return to our true home in God. A welcome awaits us, and a joy-filled reunion is possible. This Easter why not think about these two simple words: FOR YOU.

---

## EASTER PRAYER OF THANKS

Gracious, loving Father,  
Thank you for the wonderful reality of Jesus' resurrection on that first Easter Day.

Thank you that, because Jesus is alive, life has meaning and purpose. When we don't understand why some things happen, when life is difficult, when we are struggling through pain and loss, help us to know your risen presence and love in our lives.

Help us to choose to trust you.

Help us always to be thankful for your amazing Easter gift of life and hope. In Jesus name, Amen.

# GENERAL EASTER VESTRY

This year's General Easter Vestry will take place on:  
**Tuesday 30th April at 7.30pm in the Minor Hall.**

At this meeting we shall be choosing the following parish officers for the year 2019/2020:

- Churchwardens
- Glebewardens
- Select Vestry members

Derriaghy, along with other parishes, is now registered as an individual charity with the Charity Commission (N.I.) and all members of the Select Vestry are thus the parish trustees.

Supplementary Guidance on Charity Trustees states that anyone who is elected as a member of a Select Vestry must not be disqualified from being a trustee of a charity. Those disqualified under the Charities Act from acting as a trustee are anyone who:

- Has been convicted of an offence involving deception or dishonesty, unless the conviction is spent conviction under to Rehabilitation of Offenders (NI) Order 1978;
- Is an undischarged bankrupt or has made a voluntary arrangement with creditors;
- Has previously been removed as a trustee by the Charity Commission or by the Court;
- Is subject to disqualification under company legislation.

It is the responsibility of anyone who might fall into any of these categories, not to make themselves available for election as a Churchwarden, Glebewarden or a member of the Select Vestry.

## SPIRE PROJECT UPDATE

All the scaffolding is now in place and the stonemasons will shortly begin the process of dismantling the spire. Each stone will be taken down, identified, cleaned, repaired or replaced, and stored awaiting the rebuild. The storage of the stone is problematic as space is limited, so you will likely see pallets of stone stored around the Quinn Hall and its environs.

### Site Access

Legally the contractor (ME Crowe) now has possession of the site; this is normal construction practice. As a result we are required to follow the Health and Safety rules that have been established to ensure the safety of site workers and visitors.

The site is the fenced area around the spire, church entrance and Quinn Hall. The site foreman is Mr Manson Gault and you require his permission should you need to enter the site area.

Fortunately the majority of the churchyard is outside this area and therefore access to the churchyard should be able to continue as normal, but please exercise caution as there may be moving machinery and stone stored on pallets.

The whole project will run until November of this year. The contractor intends, in as far as possible, to ensure the church is available for Sunday

---

services. However, there is always the possibility we may have to hold services in the hall should a safety issue arise. The contractor is also required to stop work should there be a funeral.

Car parking space in front of the church will be at a premium and parking at the Quinn Hall will not be possible once the spire begins to be dismantled and the stone stored in this area.

## MONEY MATTERS

### 1. Spire Refurbishment Appeal and Spire Account

AT LAST we can all see that work has commenced on our SPIRE and have watched the scaffolding ascending to the pinnacle of Christ Church and by the time this article appears in the Herald the spire should be in the process of being dismantled.

For most of you, my fellow parishioners, this is the first sign of work commencing on our spire but it has been long in the planning to get to this stage. The planning process, known as the Development Stage, commenced in 2015 with the formal refurbishment contract being signed in January 2019 by ME Crowe (the Contractor) and RCB Dublin (4 years). Alastair Coey Architects drew up the contract, specifications and associated drawings (a comprehensive document) witnessed the signing and will manage the refurbishment project on our behalf to ensure that the agreed specification is delivered.

In the last issue of the Herald we were awaiting for the HLF to approve our Stage 2 Delivery Submission and agree to the balance, £217,200 (maximum) of funding and as most will know, this was approved late December 2018. The first stage payment of £108,600 has now been transferred into the Parish Bank Account with the balance being paid at the midpoint and on completion stages of the refurbishment. More good news was that the tender price was less than that estimated which will reduce the overall cost as follows.

Stage 1	Development cost	<b>£ 48.5K</b>	<i>Completed and all related to date costs paid.</i>
Stage 2	Delivery cost	<b>£485.3K</b>	<i>Revised to include tender price.</i>
<b>Total projected cost</b>		<b>£533.8K</b>	

The following table set out the monies raised by the Spire Appeal (income) and monies paid out (expenditure) up to February 2019. On behalf of the SV, I thank you all for your efforts and continued financial support.

## MOTHERS' UNION NOTES

While Christmas seems like a distant memory our members will recall a most enjoyable evening at Dunmurry Golf Club. We had an excellent meal and lots of fun with table quizzes.

January saw us enjoying an evening wandering down memory lane as we browsed through our scrapbooks and photographs. We are indebted to Margaret Hanthorne for her excellent recording of all our activities and occasions, quite often accompanied by very amusing cartoons drawn by Margaret herself. Indeed Margaret was put to work again as she was our speaker at our meeting in February when she gave us a little of the history behind her book, "Hilden, the Story of a School and its Community", and

the process of bringing a book to publication. This was an extremely interesting talk, enjoyed by all. As our March meeting falls on Ash Wednesday we will be attending the Church service before we take part in a Bible Auction, when each member selects a Bible verse and brings an item related to the verse for the auction.

We are looking forward to hearing Moira George at our April meeting when she will be showing us how to accessorise our wardrobe. Should anyone be interested in coming to any of our meetings they can be assured of a very warm welcome.....and a delicious supper!

## GUIDES

The Guides had a very enjoyable outing to the Ten Pin Bowling at the Leisureplex in December and recently returned to the Leisureplex, this time to the swimming pool. This was the first time the Unit has gone swimming and a great time was had by all. A return visit has already been mentioned! Since Christmas the girls have been busy working on various aspects of the new programme and gaining badges along the way. The Unit

may be small but the girls have developed a strong bond and work together very well.

Once again we would like to say a big "Thank You" to the Youth Council for their generous donation to Guide funds to help cover our capitation costs and expenses. We are very grateful for all the help, support and encouragement we receive from the Youth Council.

## THE OVER 50'S CLUB

Our November meeting proved to be as entertaining as we had anticipated when our guest speaker, Liz Weir, entertained us with stories from her world-wide repertoire and answered the many questions put to her about her extensive travels.

We don't meet in December as our normal meeting day would be too close to Christmas when there are other things on most peoples' minds, but preparations were well under way for our annual lunch in January. This year we returned to Dunmurry Golf Club. A quick count around the tables indicated that over thirty members were

present, and like last year a well-placed "informant" was able to report quietly that one of them was celebrating a birthday which we duly acknowledged.

We return to our normal programme in February when our guest speaker will be Mr. Karl Bennett from Bloomfield Auctions. If the interest in daily television programmes about auctions is anything to go by this should prove to be a very topical meeting and we might even learn that nodding at the wrong time at an auction might prove to be an embarrassing mistake.

## RAINBOWS

In October the Rainbows had lots of fun at the Halloween party with the Guides and Brownies. In the run up to Christmas we made a variety of Christmas crafts including rainbow sweetie cones, hot chocolate cones, Christmas cards, sock snowmen. The girls enjoyed going to see Nativity 3 at the cinema on our final night before the Christmas break

After Christmas we introduced the new programme to the girls and they chose to work on the Express

yourself theme. So far the girls have responded well to the skill builder and unit meeting activities, including learning Makaton and playing get to know you games. The girls have also really enjoyed working on their drawing or storymaking interest badge.

In February the girls enjoyed making Valentines crafts and learning all about World Thinking Day on 22nd February.

**DS and PC**

---

## BROWNIES

During November the Brownies made bird feeders using apples, sunflower seeds, string and sticks to help the birds during the winter months. The girls also explored the use of Braille and having gained a basic understanding they were able to form sentences for each other to decipher. They also received a special booklet containing some well known stories in Braille and a certificate with their name printed in Braille which will be a lovely keepsake.

Some of the Brownies have been working on completing the Communication Badge and have been learning about different types of body language. They also read a poem or prayer to the rest of the group. Sophie very kindly took part in the prayers on behalf of the Brownies at the Annual Youth Service, well done Sophie. Unfortunately we had a very small attendance at the Annual Youth Service but thank you to everyone who made the effort to attend.

We have also been exploring the 'Be Well' theme from the new Guiding programme and the Brownies have completed an activity called 'Use it

to move it and feel good' where the girls had to learn about different muscles within the body. Using team games the girls had to pass balloons using only certain muscles, it's harder than it sounds and created lots of laughter.

Christmas crafts this year included Christmas cards, snow globes and Rudolph tree decorations. Everyone enjoyed the Christmas outing to the Pantomime Little Red Riding Hood on the 6th December at the Lisburn Island Arts Centre.

The Brownies are currently exploring the 'I could be a Civil Engineer' activity book aimed at inspiring even more young women to become a civil engineer and so far we have completed a spaghetti structure challenge.

We are looking forward to Thinking Day and Easter activities.

Finally, we would like to thank the Youth Council for their continued support and financial assistance throughout the year.

## SCOUTS

Regrettably numbers in Scouts remains low with only 5 Scouts (2 girls and 3 boys). Whilst we continue to work hard to attract new members, it is difficult - we do not seem to have a great support from kids in the Milltown area. We will therefore continue to meet with the Cubs on a Tuesday nights for the foreseeable future. Hopefully after the summer a good number of Cubs will move up to the Scouts.

It is pleasing that attendance is always good and it is a help that we meet with the Cubs.

Scouts have been busy over the winter. We had a good attendance at both the Youth Service in November and also at the District Carol Service, which was hosted by 1st Derriaghy, in December.

Thank you to Jim and June Belshaw for decorating the church early for Christmas and also to Jim for opening the church for the rehearsal and for the carol service itself.

The Scouts and Cubs ended 2018 with a trip to the cinema to see 'Ralph Breaks the Internet', a film which was enjoyed by the leaders as much as the kids.

Over Christmas, Dawnne entered a competition over Christmas. The first prize was a Free Night for a youth group at Air-Tastic, Trampoline Centre, Kennedy Way. She won

In March Northern Ireland Scouts are running a Soap Box Challenge at the Eikon Exhibition Centre, Maze. 1st Derriaghy Scouts will be entering and at present are hard at work getting their soap box ready – the frame is made, the axle and wheels are in place, the steering and braking systems are on and working - all that remains is to put the body on, paint it and we will be ready for a test run!

All the work in building the Soap Box will go towards the award of DIY & Craft badges. We also plan to commence work for First Aid and Mechanic badges over the next month.

Once again, I would like to thank the Youth Council for all their help and support over the past year, especially Penny, Trudy and Raymond, who put a lot of hours in which often goes unrecognised.

**John Hilland, Scout Leader.**

## BEAVERS

We have a steady number of 6 Beavers since September who are going to be working on their International Activity Badge over the next couple of weeks. We also plan to arrange a collection for the Lisburn Food bank and for Almost Home Animal Shelter.

Our Hallowe'en party was a success – lots of scary costumes and decorations.

The Youth Service and District Carol Service held at our church on the 2nd December were both well attended .

We attended the District Beaver Quiz & Christmas Party at Hillhall on Saturday 8th December! Great afternoon's fun – especially as the kids got to throw cream pies in the Leaders faces!!

The Beavers & Squirrels together made bird feeders and Christmas Decorations.

On our last night before Christmas break we had our own Christmas Party for both Squirrel & Beaver sections. A special visitor arrived too; I think he enjoyed himself so much, he didn't want to get back on his sleigh!!

Together with the Cubs & Scouts, the Beavers went to Air-Tastic on 22nd January. This trip was a prize we won on Facebook! A free hour long session for all the kids in the 3 sections – think everyone had a great night! The staff in Air-Tastic were really helpful & friendly and we were looked after really well.

We would like to thank the Cub & Scout Leaders who have been helping out each week with the Squirrel Section. It has allowed each Section to get on with their own age appropriate activities. However, it would be a lot better if we could get another person to help Corinne with the Squirrels each week.

As always, we would like to thank the Youth Council for their continued support.

**Marlene & Dawnne**

## CUBS

Numbers have been steady since October with 12 cubs. The cubs completed their 'Our Skills Challenge Badge'. This involved a diverse field of subjects such as storytelling, identifying body organs, learning a new skill (Pilates) and acting. They commenced their International Activity Badge and 4 of stage 3 swimmer badges have been awarded to some of the cubs. We had a great Halloween party with a parade of lanterns that we had made over the previous weeks. Also, in November we had a St Andrews night with a night of Highland games, tossing the caber, highland dancing and throwing the wellie!! (the Wellie was kindly donated by The Rev Budd and subsequently lost in the Ross's back garden by Michael the Scout leader). The night was ended with a highland feast of Haggis, Neep and Tatties washed down with Irn Bru.

Surprisingly the Haggis went down well with the Cubs. The Youth service and District Carol Service held at our church on the 2nd December were both well attended. Christmas decorations and cards were made by the cubs for their parents and we ended the year with a pack night at the movies to see 'Ralph wrecks the Internet'. Over the festive period Dawnne enter us into a competition with Airtastic indoor trampoline park at Kennedy way on Facebook and it was a nice surprise to find out we had won this; it was organised for the Beavers/Cubs and Scouts last Tuesday. We were looked after brilliantly by the staff and the kids had a fun night, even the 50 yr old ones. Once again thanks for the continued support over the past few months

## SQUIRRELS

We have had a constant steady group of 12 children attending squirrels 10 boys and 2 girls. We have been working through the year on some of our "Smile Badges" and the children have been awarded there Active badge yellow for

their work on the bird feeders that they made, they also took photos showing us the wildlife calling in there garden for some food. At the end of October we held are annual Halloween party which was a spooktackler night even the

---

leaders dressed up in fancy dress scary!. In November we were getting some craft things ready for xmas and the children made gingerbread men and decorated them with icing we also made some decorations for their xmas tree at home. This will help with their next "Smile Badge" that they are learning and will be completed in Feb19. December was a very busy month with the district carol service being held in our own church this year. Pleased to say that Derrigahy had a very good turn out with all Squirrels present on a very wet and windy day. We also had our Christmas party on the 18th December and the theme was xmas jumpers also a special visitor arrived Santa and spent sometime speaking to the

children about what they wanted this year. We started back on the 15th January with a full troop of 12 children and we have been starting to get back into some badge work and teaching the children some new games. The Squirrel Association have also sent us a new flag for 1st Derrigahy Squirrels so have spoken to Mervyn and about getting the flag dedicated at the next service in the church which could possibly be Holy Week. We also hope to attend a magic show on the 9th February at the Islands Art Centre in Lisburn permission notes are being sent out at the moment for the parents to sign.
