Heather Daniels

Joanne St Georges

Lisa Rondeau

Sheila Willis

Eugene Nicholl

Nancy Fowler

Laurie Drake

Tyler Lévesque              **Absent**

Teri Carucci

Odette Beaubien

Ann Perry

#### **Agenda Items**

##### **Welcome new members**

Guy Proulx welcomed the new members Suzanne Hess and Laurie Drake and expressed his appreciation for their interest in furthering the club's interests.

##### **Postmortem golf tournament**

Heather Daniels organized the tournament and indicated there were 156 participants. The financial report was shared with members a while back and indicated that the event broke even. There were 3 draws made yielding 625 back to the winners. Door prizes were given including those provided by the Meadows Gold Club. The event is booked again for next year at Meadows golf course in early June. This event was most successful and weather did cooperate.

##### **Cruise event of August 12<sup>th</sup>**

This is the first event organized on the Eventbrite platform. The committee is composed of Guy, Lisa and Joanne. Price is set at 40\$ to cover Eventbrite costs of some 4\$ thereby yielding a net revenue of 36\$ to the club to cover expenses including the cruise, disco and munchies. Capacity was set at 180 and 175 tickets are available to the general public.

Executive members can purchase tickets for 36\$ each and save the Eventbrite processing fees of 4\$. It was also agreed that there would not be any draws as the club does not need the money

and it is a chore to do while folks are dancing or enjoying fireworks and also because fewer people carry cash.

Tickets will first be offered to our registered members and Sheila can release event info after the meeting as tickets go on sale on July 8<sup>th</sup>. The event will next be publicized by Heather on our Facebook site on July 15th. We will then determine if there is a need to reach within CRA based on tickets sold a few weeks before the event. The organizers will make that decision.

### **New website**

The new website is now live and while it took the committee a while to reach consensus on presentation and contents, it appears to have all we need to meet the club's objectives. We can always amend it if we notice improvements are needed.

Sheila indicated our last communication about the change to the Generations club resulted in many new registrations.

Members agreed it was time to compensate our webmaster Jason for all the work he has done. Guy will undertake to connect with Jason to discuss this matter.

Some members indicated the website does not pop up depending on the browsers used. Jason will be asked to explore this matter.

It was also agreed we should close the old QCC Website to avoid confusion with our membership. Guy will connect with our prior webmaster to get this done and also ask for a copy of contents for potential future reference. There will be fees involved in compensating Jonathan.

### **Fall potential activities**

Very limited discussion on this topic. This topic will be part of our next agenda. Members are asked to reflect on this matter in anticipation of the next meeting.

### **Next meeting**

The committee opted to hold the next meeting on Wednesday September 18<sup>th</sup> starting at 5:00pm. That should provide the club sufficient time to explore holding an activity prior to the December Luncheon. Meeting is currently set up to be virtual. This may change and a decision will be made before the meeting.

The meeting adjourned at 6:00 PM and everyone wished each other a nice summer.
