PC RUNS INTO PASSING TRAVELER IN GLOM WORLD	City Toni	"Ay yo, watch it! I'm slitherin' here!"	"Whad I just say?" "You got ears, slime?" "Get outtaaa here."	Cliché New York accent, indignant. Confrontational.
	Prickly Glomm	"No sure, it's fine. Don't apologize. <i>I'm</i> sorry for taking up <i>sooooo much room</i> on this clearly cramped and winding road that you felt the need to walk <i>directly into me</i> instead of <i>going around</i> like a <i>normal person</i> . Jerk."	"Are you serious?" "Move!"	Sarcastic. Pedantic, overly-theatrical, aggressive. Putting on a real show, imagine he's talking with his hands ALOT.
	Prejudiced Glomm	"Friggin' outta-town slimes. No manners. No sense. No good."	"Grow feet and learn how to walk straight, damn slime!" "Look at the trail you're leaving behind! Dirtying up the city."	Jilted. Peeved and mumbling, but not overtly confrontational.
	Southern Glomm	"Oh, 'scuse me, ma'am", "Pardon me, sir"	--	Said in passing. Polite. Southern or Midwestern
	Elderly Glomm	"Ow, my turnips!"	"OoOooOh my... Deary me!" "Oh, my aching bones..."	Frail old woman, indignant and a bit miffed. Fragile.
	Judgy Glomm	"I <i>really</i> hope you're wearing shoes under there. For your sake."	"Don't you even touch me with that goo." "I bet you're just riddled with dirt and leaves." "Tch. Gross."	Unsolicited advice, intrusive vibe. Just plain rude.
	Pleasant Glomm	"Oh, hi there. Nice weather out."	"Oop! Haha." "Ope, you got me again, hoho!"	Weirdly kind. Think cliché Canadian nice guy. Or maybe Mickey Mouse?
	Rugged Glomm	"Watch it, now. Your step, I mean. The road is rough out here."	"Careful." "Go on, now. Or do you plan on sticking to me?" "Well I s'pose I can't stop you. Do as you like."	Gruff, but not rude. Gentle voice with slight gravel/cowboy twang.
	Flirty Glomm	"Well, aren't <i>you</i> handsy. Or, uh... slimy..."	"Oh my!" "If only I were ten years younger... and not married."	Exceedingly flirtatious and smiley, but just a tad awkward
	Busy Glomm	"Too busy to stop and chat, I've got somewhere to be."	"I hope I'm not late." "Please move."	Clipped and curt.

PC SPOTTED IN OPEN VIEW ON STREET BY HUMAN NPC	Random city dwellers in Human Town	1	"Oh, is there a convention in town?"	Passing curiosity. Pleasant and mild surprise. Slight interest.
		2	"Sewer's that way, freak."	Spitting disgust and mild animosity.
		3	"Ugh, gross!"	Visceral disgust at first sight. Quick first reaction/thought said aloud.
		4	"Oh... Hey... I think you got a little something on your, uh... never mind."	Concerned, a little grossed out, tries to help, but quickly gives up like it's a lost cause or not worth the trouble
		5	"Oh god, I think I got some of that... <i>goo</i> on my new Voui Latons."	Disgust, disdainful and inconvenienced. Not fear. Posh.
		6	"What <i>is that?!?</i> "	Disgust, fear. Shrill panic on last two words.
		7	"What the... Was that not a microdose? I should find a new guy, this new stuff has got me seeing shit."	A little bewildered, but detached awe and curiosity, followed by an aside and self-chastisement. Disbelief, denial.
		8	"Should someone call the police? ...Or animal control??"	Nervous, confused, tentative. At a loss and worried.
		9	"Don't look honey, let's go."	Hurriedly in nervous, hushed tone.
		10	"Is that flan... alive? No no no... That can't be right... crème brûlée? "	Mystified, then puzzled reflection, pause, then as if trying to remember, but unsure.
		11	"Is that a costume? How'd you make it look so... real? And drippy?"	Curious. Intrigued and impressed, but confused and a little put off.
		12	"What? You think I'm impressed? I've seen weirder shit on the 6:30 bus."	Unimpressed, seasoned voice. Disdainful. Imagine they're one negative impression away from sucking their teeth (clicking tongue, scoffing, or tch-ing, etc.) in derision.
