Spring Updates and Improvements

As we step into the refreshing days of spring, our Public Works Department has been hard at work ensuring our beloved city remains beautiful, safe, and efficient for everyone. Here's a glimpse of what we've been up to and what's on the horizon

Road Maintenance and Pothole Repairs

We have been diligently addressing roads and potholes caused by the winter weather. We are grateful for your patience as we continue these repairs.

Community Clean Up Day

The City has begun planning projects for Community Clean-Up Day. Please keep an eye out for future dates. Whether you're a long-time resident or new to the area, your participation is invaluable in helping us maintain a clean and welcoming environment for everyone.

Follow Traffic Rules: With longer daylight hours, we anticipate more pedestrians and cyclists on our streets. Please remind everyone to follow traffic rules and stay vigilant to ensure everyone's safety.

Future Projects and Feedback

We value your input and are always looking for ways to improve our services. Please share your thoughts and suggestions on upcoming projects or areas that need attention. Your feedback is crucial in helping us prioritize and address the needs of our community.

Don't Forget to set your clocks ahead 1 hour on March 9th.
