MEMO FROM THE MAYOR

The cold snowy weather finally arrived. The City Public Works have been plowing snow and sanding the roads, sometimes more than once a day. The roads have been very, very slick and we have been trying our best to keep them sanded. Thank you Public Works for keeping our roads plowed! At the January 2024 City Council meeting, The Council voted Josephine Prophet as our new Council President. Will Butler, John Gray, and Charlie Shutt took the oath of office for a four year term on city council.

PUBLIC WORKS DEPARTMENT

- Thank you for your patience and understanding when plowing isn't done as fast or as often as we would all like it to be. We also appreciate your effort in keeping vehicles off the street so that the plow can get through.
- When walking your pets on trails, sidewalks, parks, and yards this winter, please be mindful of your neighbors and protect the environment from pet waste. The snow will not hide pet waste; when it melts in the spring, it will create an unsightly, sloppy mess if not picked up. Let's keep the snow white and bright so it is not a mess in the spring.
- If there is a public works emergency please call Josh Burg at (208) 889-0862
