

Harrison Cemetery, Harrison, Idaho. This is compiled from several different listings. Dorothy Clanton, Peggy King, and Barbara Dahl have all spent a lot of time and effort gathering historical information about our cemetery. This land (HC) was donated by Ben Thompson around 1895. A 2nd section of land (GA) was donated by Virgil Guenther in 1958. The listings from findagrave.com has the more recent burials and also has many headstone pictures for people from both listings and some birth and death certificate copies, or photos also. The numbers listing in the Findagrave column refers to the persons ID number on findagrave.com where you may find additional information. This information was compiled by Jill Martz, 2021-23, combining information found in the other
