

INCREASING CANCER SCREENING RATES THROUGH COMMUNITY-BASED PARTNERS PROJECT

Employing evidence-based approaches, Test-Taking Solution is arranging **historically excluded community members - health services providers linkages** and **outreach and education activities** to increase breast and cervical cancer screening rates and to reduce inequities associated with these two cancers in the State of Mississippi.

HEALTH LITERACY matters. If you need access to Internet or a computer so that you may connect with your doctor, or other healthcare provider, call 601-714-TEST (8378). You may qualify for a FREE annual wellness visit and mammogram.
