

## 2019 Sponsorship Opportunities

South Jersey Quarter Midget Association (SJQMA) is seeking sponsors for the 2019 race season. Your sponsorship will provide support of our club with the objective to teach self-reliance to our youth drivers as well as sportsmanship and responsibility. There are many stories of quarter midget racing being an important aspect in the growth of our youth, ranging from professional drivers to all professional careers. SJQMA will use the sponsorship funds to provide trophies and plaques for our drivers as well as help to offset costs of general maintenance of the racing facility and club responsibilities.
