**National Medal of Honor Day** is on **March 25<sup>th</sup>** and it is the day the nation honors the valor that the most courageous servicemen and servicewomen in the United States military have displayed. Awarded by the President of the United States, only military members who have gone above and beyond the call of duty will receive this distinction. There are actually three different versions of the Medal of Honor, for the Army, the Navy, and the Air Force, though Coast Guard members and Marines are also eligible to earn the Navy version. To date, there have been 3,468 Medals of Honor awarded to those who fight to keep our country safe – and March 25th is the day to honor their exemplary service.

We commemorate those who fought in the Vietnam War on **National Vietnam War Veterans Day, March 29<sup>th</sup>**. There's no doubt that the Vietnam War was one of the most brutal. In fact, over three million people were killed during the 20 years it went on. It was known as the Second Indochina War to Americans, and considering its long fighting time and brutality, **National Vietnam War Veterans Day** was created to honor all the men and women who fought during its time. Aside from honoring those who fought, four other parts of this day that are meant to be highlighted are the service of the Armed Forces and support organizations during the war; the wartime contributions at home; the advancements in technology, science, and medicine; and the contributions by American allies.

**Legislative Chair—Charlie Block****National, State, & Local News****At different times folks ask, “Why should I join MOAA”.  
Below are 12 good reasons.**

MOAA engages with Congress on all manner of issues related to the uniformed services community. These efforts can include collaboration with other like-minded organizations and with The Military Coalition. We also rely heavily on our members who make their voices heard by contacting lawmakers via [MOAA’s Legislative Action Center](#), by participating in our annual signature advocacy event, and through local efforts at the level. For **more than 90 years**, this work has led to real results – pay and benefits protected from budget-driven threats, continued access to quality medical care, and countless other areas of concern to our members, our military, and the wider uniformed services community. No list could encompass everything MOAA’s achieved since 1929, but below, you’ll find some of the highlights. Click the links for details on each of the items (or scroll below the boxes to see the full list), and reach out to MOAA’s legislative team at [legis@moaa.org](mailto:legis@moaa.org) to discuss your concerns on these or other topics. Note: Items with an asterisk (\*) are reoccurring under attack or under resourced.

## INVITATION

You are invited to celebrate Bob and Kay Recknor's 60th Wedding Anniversary on March 18th. Drive-by and wish them well 3 — 6 P.M. 151 Prathers Lake Drive in Auburn.

On March 18th, 1961, Bob and Kay Recknor were married at the Naval Air Station in El Centro, CA, where Bob was testing parachute gear for the Navy. In addition, he was also assigned to the first Navy Exhibition Team known as the Chuting Stars. While in El Centro, Bob was selected for the Mustang program and was commissioned as an ensign and was assigned as a Maintenance and Safety and Survival officer. While serving in this career field, he was selected for a two-year exchange duty assignment with the Royal Navy. Bob went on to serve for 30 years in the Navy and retired in 1980 from NAS Oceana in Virginia.

Throughout their many moves, Kay became a jack of many trades with the most rewarding being the owner of her own interior design business in Virginia Beach, Virginia.

Bob and Kay moved to Auburn 16 years ago to be near their daughter, Karen, and her husband Bob Cochran, along with their three grandchildren; Christy, Kelly and Clint. They are very proud of their grandson, Clint, who is third generation Navy. Living in Auburn has been more rewarding than they could have ever dreamed. Being a member of MOAA is one of the many rewards of living on the Loveliest Village on the Plains.

As they reflect back on 60 years of marriage, throughout the ups and downs, their lives have been filled with respect, independence, and love.

### Daylight Saving Time in the United States

Daylight saving time in the United States is the practice of setting the clock forward by one hour when there is longer daylight during day, so that evenings have more daylight and mornings have less. The Uniform Time Act of 1966 established the system of uniform daylight saving time throughout the US.

**National K9 Veterans Day, March 13th**, is a day set aside to honor and commemorate the service and sacrifices of American military and working dogs. On March 13, 1942, the Army began training for its new War Dog Program, also known as the "K-9 Corps," marking the first time that dogs were officially a part of the U.S. Armed Forces. Border Patrol K9s, Customs K9s, Police K9s, Secret Service K9s, Airport Service K9s and FBI K9s work daily to serve and protect Americans and the homeland. K9 Veterans Day was created by Joe White of Jacksonville, Florida. He was a Vietnam War veteran, K9 handler and trainer.

**Julius Caesar**

**March 15th, the Ides of March**, was originally the date on which Romans settled their debts. Other ancient traditions on this day included the slaughter of a sheep, the 'Ides sheep', by Jupiter's high priest; the feats of Anna Perenna, the goddess of the year, to celebrate the first full moon of the year with drinking, picnics, and lively festivities; and in the 'holy week' of festivals during the Imperial Period, which celebrated the goddess Cybele and the god Attis. The unlucky pall over the **Ides of March** has a more portentous tie to ancient Rome. Roman Emperor Julius Caesar was famously unlucky on the Ides of March in 44 B.C. when he was assassinated by his senators, fearing their ruler was becoming a dictator.

The luck of the Irish and all things green is celebrated on **St. Patrick's Day on March 17th** every year. Initially a day to honor patron saint St. Patrick of Ireland, over time the holiday has evolved into a fun and festive celebration of Irish culture.

**St. Patrick's Day** is celebrated in more countries around the world than any other single-day national festival, largely due to America's enthusiasm for what many consider a holiday, although it is not an official holiday in America.

### FIVE SURPRISING FACTS ABOUT THE PATRON SAINT PATRICK

- ✦ **St. Patrick was not an Irishman** - He was born Maewyn Succat around 385 A.D., son of a Christian church deacon and wealthy family, in Britain which was under the rule of the Roman Empire at that time. He chose the name Patricious after he became a priest.
- ✦ **He arrived in Ireland as a slave** - The rich kid was kidnapped from Britain at the age of 16 by a band of raiders who enslaved him as a shepherd in Gaelic Ireland for six years, during which time he converted to Christianity.
- ✦ **He was a saint, but not really** - Although Patricious is known as Saint Patrick and is the most beloved of all patron saints of Ireland, he has never been formally canonized as a saint by the Catholic Church.
- ✦ **Patrick did not rid Ireland of snakes** - He could not have done this because there have never been any snakes on the island nation of Ireland. This is a folklore legend.
- ✦ **Four-leaf clovers are never shamrocks** - The 4-leaf clover being lucky has nothing to do with St. Patrick. Legend has it that Patrick used a green plant with three leaves, commonly called a shamrock, to teach the Christian concept of the Holy Trinity. Only a 3-leaf clover can be a shamrock; a clover with more or fewer leaves is never a shamrock.

**FYI:** If you are wearing a non-disposable cloth mask to prevent the spread of Covid-19, be sure to wash your mask in hot water and soap, scrubbing at least 20 seconds. Tumble the mask in the dryer on high heat to further sanitize, and store in a clean place. Cloth face masks should be worn in public settings where social distancing measures are difficult to maintain, such as in grocery stores, especially in areas of significant community-based transmission.

Governor Ivey has extended the State's Safer at Home. Individuals will be required to wear a mask or other facial covering when in public and in close contact with other people, as described in the order. This amended order is extended until April 9, 2021 at 5:00 p.m. It includes a statewide mask requirement to be kept in place to help prevent the spread of the COVID-19 virus.
