MYSTICS COURSES

MYSTICS AT THE NAOS

The Mystics are ready to study the various Paths and Traditions open to them, including the Way of the Warrior, the Way of the Fool, the Way of the Hermit, and so forth. They are drawn into the most secret heart of The Lonely Temple, where dwell the True Sun of Self, and the Illuminating Presence of the Divine Spirit. As they make a choice about their continuing Pathway, they realise how much spiritual freedom they have gained and won through their efforts.

We recommend that Mystics complete at least two of the Courses.
