ARCANISTS COURSES

ARCANISTS AT THE PRONAOS

Where the Geomancers looked *outward*, the Arcanists look *inward* and *upward*, towards the bright realms of the Spiritual, from whence flows the Wisdom of the Ages. Using the allegorical road maps of the Tarot, Geomancy and Astrology, and other Mantic Arts, the Arcanists begin to penetrate the Veil of the Sanctuary, behind which lies the Dazzling Image of Truth.

We recommend that Arcanists complete at least three of the Courses.

THE MANTIC ARTS
