SEEKERS COURSES

SEEKERS AT THE PRONAOS

The Seekers must gain a grounding in the essential elements of the esoteric path, including the fundamental skills needed such as contemplation, control of the Aura, and comprehension of the Energy Body, as well as the crucial techniques for Psychic Protection (which is compulsory for all who wish to become Energy Workers).

We recommend that Seekers complete all three Courses.

SEEKING THE WAY

The Path of the Arcane Wisdom - the Wisdom of All Ages - starts within. This Course teaches the Seeker the essential elements of the Mystical Life, using field-tested techniques and exercises which provide a safe Opening of the Inner Way.
