**LIGHTWORKERS COURSES**

# LIGHTWORKERS AT THE PRONAOS

The Lightworkers begin to harness their expanded knowledge and power, and use it to further their understanding, and to be of service to their communities, both living and departed. They master the mysteries of Soul Rescue and Spirit Release, learning the complex nature of Human Consciousness both incarnate and discarnate. They begin to channel and dispense the Light they have received.

We recommend that lightworkers complete all three Courses.

## THE LIGHTWORKER

The Lightworker is one who not only works in Light, but dwells in Light, and stands firm therein. They must also be the Master of Darkness, for there cannot be Mastery without Equity and Equilibrium. This Course commences the deepest levels of study and training within the Temple.
