Ellie Price, a chronically ill former marathon runner sets out a life-affirming journey to uncover the secrets to her healing—after suffering an unexpected and devastating loss. She is faced with two choices: succumb to the grief, or find a way to bring meaning to her life again.

Award winning author Ron Prasad delivers an inspiring story about rediscovering love, hope, and inner strength to ultimately, bring light to the darkness. This novel was written as a fictionalized love letter to the author's wife who herself, suffers from illness— and invites readers to stand up and cheer on this most resilient of female protagonists; one of whom, perhaps, they can see themselves in.
