"We have been truly blessed to have had wonderful caregivers from Sherrie's In-Home Care. Whenever we need something, the office always answers the phone and helps us. My husband's main caregiver keeps my husband (who has mobility and cognitive issues) safe from falls. This gives me peace to leave him and run errands because he has a companion to care for his needs. When other wonderful caregivers fill in, I have the same confidence that he will get good care from them. Thank you to all who work at Sherrie's In-Home Care. This is a very special service to those who need it! We are thankful that Nurse Heather was able to purchase Sherrie's In-Home care and keep it a family-run business with the same wonderful caregivers."
