Space Rentals

Inside Booth spaces cost \$85 and are 12' x 6' or 10' x 10' in size (sizes are approximations, should you need an exact/specific size, please contact the director personally).

If you need a larger area, you will need to pay for additional spaces. Each vendor is allowed a maximum of 2 inside spaces. To facilitate better traffic flow for our patrons and vendors, all buildings have been set-up in a 'walk through' design pattern, prompting patrons to walk past every vendor! In 2026 there are only 52 inside spaces available. If you require inside display area, please register early as spaces fill up fast and are leased on a first-come-first-serve basis.

Outside Booth Spaces are 10' x 10' and cost \$60 (We can be a bit more flexible in sizes outside).

Outside vendors are allowed to rent multiple spaces, in a variety of configurations. Please contact event director prior to registration to confirm that your request for multiple space needs can be met.

Placement of booths will be determined by Bittersweet Blessings Farm staff. We will make every effort to avoid locating competing vendors (vendors selling the same or similar merchandise) next to each other.

You will be notified by email if you have been accepted as a vendor. If you are NOT accepted, your application fees will be returned to you.

Sadly, due to current conditions, we will be enforcing a \$2.00 processing fee, per booth, for those vendors who wish to pay their registration fee(s) with a credit card.

Vendors are responsible for their own merchandise and booth area. Bittersweet Blessings Farm is not responsible for any damage or theft. Bittersweet Blessings Farm does offer complimentary 'booth sitters' to allow vendors time to use the restroom, grab some lunch at the food court or visit other vendors. Booth sitters will not make sales of your merchandise in your absence but will provide a presence of someone watching your things while you are out.

Electricity

Limited electrical services are available, in 120 volts – 1800 watts – 15amp circuit. Apply early if you need electricity: additional fee of \$10.

Due to noise, **NO generators will be allowed**. Strictly enforced!

Table Rentals

We have a limited number of 8' banquet tables for rent. We will deliver these to your booth(s) prior to check in. You may request any number of tables until we are sold out. Table rental is \$10.00 per table.

Payments

Accepted forms of payment for vendor spaces will include cash, check, or credit card. Payment is due upon completion and submission of application. Please make checks out to Bittersweet Blessings Farm.

Sadly, due to current conditions, we will be enforcing a \$2.00 processing fee, per booth, for those vendors who wish to pay their registration fee(s) with a credit card.

Applications with full payment and required paperwork must be returned to:

BITTERSWEET BLESSINGS FARM

4509 State Road 73

Deerfield, WI 53531

Applications may also be submitted by email to bittersweetblessingsfarm@gmail.com

Booths will be assigned as applications are received and until all the available spaces are filled.

Paid receipts are available upon request.

Vendors are not required to pay admission to the event.

If a vendor chooses to leave the Expo during the day, he or she should have their hand marked, for re-entry to the event.

Cancellation and Refund Policy

Fees must be included with the application and are non-refundable after notification of acceptance, unless the space can be reassigned. In which case, there will be a 50% cancellation fee withheld from your refund. There are NO REFUNDS for cancellation within 4 weeks prior to your event. All refunds (if any) will be paid via company check issued by Bittersweet Blessings Farm.

*** Due to the COVID-19 virus and current uncertainties of group gatherings, should an event need to be cancelled due to this pandemic, we, Bittersweet Blessings Farm, will be providing full registration refunds.**

*** Furthermore, should a cancellation be eminent, Bittersweet Blessings Farm shall provide vendors with as much advanced notice as possible, in hopes that the vendor(s) may secure another show for the cancelled date(s).**

Set-Up

Although these are one-day Markets on Sundays, vendors may arrive on Saturday between 2pm and 9pm to set up. Buildings will be locked at 9pm and gates will be closed at 10pm.

Gates will re-open at 5am on Sunday morning for final outdoor vendor set-up. Buildings will also re-open at 5am Sunday for final set-up. All set-up, and vehicle removal, needs to be completed by 7:45am Sunday. **NO** vehicles will be allowed in the event grounds after 7:30am Sunday morning. We open the doors at 8:00am sharp. General public entrance begins at 8:00am.

If a vendor has not checked in, and on site, 30 minutes (or more) prior to the start of the show, they will not be allowed to enter and will forfeit their registration fee, with no refund. We highly recommend that you set-up on Saturday.

During set-up hours, vendors should take care to be quick and considerate of others. Please move your vehicles to vendor parking areas once unloaded, do not wait until you are completely set-up prior to moving your vehicle. With patience and consideration every vendor should be able to park within 60 feet of their booth space(s) to unload/re-load their merchandise. There is always the possibility of 'traffic jams' and tempers can soar. If everyone can be patient and considerate of others, the set-up and tear-down process goes quite smoothly.

No set-up will be allowed during show hours.

Vendor Parking

Free vendor parking is available to the north and west of the Market, on the Bittersweet Blessings Farm property. Specific parking directions will be available upon arrival.

Space Etiquette

During the show, vendors must keep all tables, chairs, merchandise, and 'check-out' area within the lines of their designated space. All sales should take place within a vendor's allotted space.

Vendors cannot sit in the aisle. Please arrange your space set-up to accommodate this.

All booths must be 'manned' (staffed) at all times. If you need coverage, we will have Event Staff available to cover your booth for a limited time. Vendors must be open for business by 8:00am and may **NOT tear down** or bring vehicles onto Market grounds until after 4pm on Sunday. Vendors who close early will not be invited to participate in future events. All vendor space clean-up must be completed no later than 8pm Sunday September 20, 2026.

Vendors must clean up and appropriately discard ALL trash in their area to trash receptacles, including flattened cardboard boxes, packing materials, electrical ties, beverage and food containers, etc.

Vendors may not cause excessive noise. The use of sound amplification devices, loud music, etc., without advanced written approval from Bittersweet Blessings Farm Management is prohibited.

Vendors shall show courtesy and respect to patrons and other vendors at all times throughout the event. **ANYONE who is Rude or Disrespectful to workers/volunteers of Bittersweet Blessings Farm will be required to leave immediately without refund!**

SMOKING: There shall be NO smoking within 30 feet of any building. Some of these buildings are over 125 years old and cannot be replaced. Also, please do not smoke in your booth. Not only is this unprofessional, but it is disrespectful to your neighboring vendors. You may request a 'booth sitter' or ask a neighbor to watch your booth and proceed to a designated smoking area.

Bittersweet Blessings Farm does not condone hawking, yelling, or pressuring patrons to make a purchase under any circumstances.
