

Clark County Quilters / Quiltfest Northwest 2020 Sponsorship Categories

Dear CCQ Members:

Is CCQ and quilting an important part of your life? If so, your guild needs you to consider supporting the guild by opening your pockets and contributing directly to the costs of running a large social, non-profit organization.

Many, many of you volunteer and give your time and money through supporting the various divisions of the guild like Comfort Quilts, Outreach, Auction, Featured Artist Show, Saturday Workshops, Quilt Show, Opportunity Quilt, Veterans programs, etc., and through your wonderful Small Groups.

You touch so many lives.

As we move ahead in creating a Quilt Show that will become a destination event, we hope those of you who can become a sponsor will consider the categories below. The first three categories were created for businesses, but philanthropists would be welcomed, as well.

The Special Exhibit Circle and President's Circle are designed for our members and friends of our guild. Please read the benefits of each level. If you would like to be a sponsor, fill out the form, write the check, and mail. Thank you so much!
