Captain Dan was amazing! He was funny, engaging, and a wealth of information about local spots and places to visit. He put us at ease right from the start. The weather was beautiful, and my children and I enjoyed every minute! We are planning to do the Saint Augustine tour as well. Please do yourself a favor and book this adventure. You won't be sorry!

Capitan Dan's boat tour for St. Augustine was truly a wonderful adventure! Communication was excellent and consistent leading up to our excursion. Being a Florida local and knowing how rain is in the summer, I truly appreciated the weather updates and accommodations he provided throughout our trip in efforts of providing my party an unforgettable experience! We loved it & would book again!

Captain Dan is a knowledgeable storyteller of the history of St. Augustine! We had an enjoyable day with him on the water and saw a manatee, baby shark, Osprey, and many pods of dolphins! Our oldest son caught a sea Catfish, which added to the fun! Definitely book your trip with Adventure in Paradise, when you're in the area. You won't be disappointed!!!

Our trip with Captain Dan was phenomenal. We are a family of five, and all of us had the time of our lives. Captain Dan adjusted the route based on our interests. He incorporated some history, some fishing and swimming along with a sunset tour. We would highly recommend Adventure in Paradise to anyone considering a tour - with Captain Dan you are guaranteed to have a great time!!!

Finding a way to describe our trip with Captain Dan is difficult to find the words with how wonderful it was from start to finish. Better yet- I can describe our next morning. We are all sitting around at breakfast saying how beyond belief special it was to hit the jackpot with an amazing waterway, beautiful scenery, perfect boat, and a beyond epic amazing kinda fun guy our captain was! 10+++/10

Capt. Dan was one of the most friendly people I have met. Not only did he accommodate our schedule and what we wanted to do as a family but while we

were playing on the sandbar we had a conversation for over an hour as if we had been friends for ever. The kids loved the boat and haven't stop talking about it since we left. Capt. Dan kept up to date on a storm that was coming in and got us back to the marina right before it hit while still giving us more time then we even paid for. i would definitely recommend this for the family.

Captain Dan is a phenomenal find! We spent half the day on a private custom boat tour courtesy of Captain Dan. We saw the Groupon and attempted to set a reservation for his services less than 24 hours in advance. Captain Dan was so accommodating to our "Party of Five!" We were unanimous in our love for Captain Dan's conversation, stories, knowledge, and overall personality! We were accommodated with life jackets, beverages, and snacks! We stopped off at a private beach to splash around in the water and we were lucky to spot a pod of Dolphins!! This priceless memory was well worth the money! I'd recommend Captain Dan to anyone interested in a boat tour (from novice to pro). I'm sure I'll be back to spend more time with him again! He significantly exceeded our expectations!

Captain Dan is the absolute best. He was so patient with my rowdy group. Took us all around and let us drive. Saw dolphins and a gorgeous sunset. He was in constant contact via text to confirm and update prior to meeting which I loved. Wish I could give him 10 stars!!!

Captain Dan was great and personalized our family experience. We had lots of fun on the boat, which was very clean and safe. The Dolphins didn't cooperate, but the sunset sure did. It was amazing! Highly recommend booking with Adventure in Paradise. Jacksonville from here on out I will be making sure to book a boat trip with Captain Dan!

We had an absolute amazing time. There we 6 of us with 4 of them being children. He allowed them all to drive the boat, they got to swim on the island, he was very professional and knowledgeable. We paid for 2 hours but he allowed us to stay out for over 3. It was definitely something we will remember forever. I would definitely recommend this to everyone

I booked the sunset tour as a birthday surprise. From my first call to arrange the tour until follow up the day after - Captain Dan has been nothing but phenomenal. Captain Dan stayed in constant contact with me up until the time of the tour to make sure I was aware of all that we would do on the water and confirm my dinner reservation times afterwards. Captain Dan greeted us at the boat ramp and remain professional throughout the entire tour. He is a wealth of knowledge about the waters and pretty much everything else, too. He knew the perfect spots to take pictures and played photographer for us. While we could have spent the rest of the evening with him, Captain Dan made sure we were back in time for our dinner reservations. Surprisingly, Captain Dan reached out the next day to make sure we were still satisfied and to assist with getting pictures printed from the tour. He was great ... the tour was great ... I highly recommend Captain Dan's Adventure in Paradise tours.

Where do I start?! Dan was absolutely amazing! It was myself and my daughter and the experience she had driving the boat made it so much better! She was so excited. I saw dolphins, watched the sun set...I got to see my home town from a different view and it was beautiful! We will definitely be returning!
