

CASTLEVALE YDC FUNDRAISING POLICY

After discussing within the committee regarding funds raised for the club this year, we have decided that there is a need for a fundraising policy.

Since I have been newly appointed to the role of Fundraising Coordinator, I have put together a basic explanation. The 2018 Castlevale constitution includes these points.

As the club is getting bigger each year, it is important that:

- We are completely transparent about the finances going through the club
- The committee is fully in control of all funds raised in the name of the club
- We don't overwhelm parents with fundraising, specially if a parent has more than one child at the club

In order that this is possible, the following guidelines are in place, and the committee and I would appreciate club officials following them.

- The committee will host an annual fundraiser for the whole club. Funds raised will be distributed at the committee's discretion
- Teams are permitted to raise funds individually, but any organised fundraising plans must be approved by the committee and funds must pass through the club account
- The committee must be notified of any sponsorship and how the funds will be used

If you would like to discuss fundraising matters, or if you have any questions regarding this policy please contact me personally.
