

NEW JERSEY SENATE

ANTHONY M. BUCCO

SENATOR, 25TH DISTRICT
REPUBLICAN LEADER

Dear Ms. Bhagat,

wanted to congratulate you and thank you for founding Action Autism. Your advocacy for children with autism is truly commendable. As co-chair of the disability caucus, I am a huge proponent of advocating for our most vulnerable populations, and it is inspiring to see the meaningful work you are doing to support autistic children and their families.

Your work designing a sensory cube and the caregiver guide as a resource for family shows your creativity and dedication to a good cause.

Please keep up the great work. I look forward to hearing of Action Autism's future successes.

Sincerely,
