

## FIREFLY METAL WORKS LLC WAIVER OF LIABILITY

### Welding Course

Metalworking and welding is fun, but requires safety precautions and protection equipment. There are risks and dangers associated with it. These dangers and risks include but are not limited to:

- Sparks and/or metal dust in eyes
- Minor/major burns from hot metal or welding sparks
- Cuts, scratches, abrasions, etc.
- Staining and/or destruction of clothing from sparks, heat, acids, paints, etc.
- Muscle injuries
- Traumatic injury due to inherent dangers of working in a metal shop

I, the undersigned, hereby acknowledge that I understand the dangers and risks inherent to metalwork and welding and waive all right to lawsuits or other legal or punitive action against Firefly Metal Works LLC, its owners, employees, or other associated persons. By signing I take full responsibility for my own actions and any accidental injury that I may experience in the course of my relationship and participation with Firefly Metal Works LLC.

Release of Liability: As part of the consideration, in addition to the workshop fee paid to Firefly Metal Works LLC for the course for which I have registered, I hereby release Firefly Metal Works LLC, its employees, associates, subcontractors as well as any person(s) or entity(s) on whose property such course may be given, from any and all liability for personal injury or property damage that I may suffer or sustain due to negligence, or otherwise, in connection with any such course, whether by ingress or egress, attendance or otherwise.

This Release has been carefully read and fully understood by the undersigned. The terms have been explained to me and I am freely, knowingly and voluntarily entering into this Release.
