OVERVIEW

Meet engaged Institutional LPs, Next Gen Family Offices, Public Investment Leaders and UHNWIs at the **Real Estate & Infrastructure Investment Forum 2026**.

Our forums provide an open exchange of information & ideas between investors, government leaders and a select few solution providers on alternative investments.

New product & specific investment opportunities are welcome to be presented - investment areas covered include Real Estate, Infrastructure, Data Centers, Transportation, Energy, Sports & more. The focus is on FDI attraction, value creation, risk management, investment trends, and investor protection.

Features:

Interactive presentations and panel discussions with institutional LPs & family offices sharing their insights

All-day exhibition & networking areas as well as dedicated networking breaks, lunches, and reception

Private Markets Group Ltd is proud to be a global leader in providing a private platform for networking, sharing, and learning opportunities on the most pertinent private wealth and alternative investment themes.

We don't take commissions from selling anything, and are committed to staying neutral.

Our great respect for personal privacy ensures any attendees enjoy the event

AUDIENCE

At Private Markets Group Ltd, we engage a distinguished global network of Family Offices, Ultra High Net Worth (UHNW) Investors, Institutional Limited Partners, Private Sector Business Owners, and Public Sector Inward Investment Leaders.

Our audience is composed of C-suite executives, directors, founders, partners, senior managers, and family office principals operating across a broad spectrum of industries, including

Private Credit | AI | Energy | Secondaries | Defence | Blockchain | Real Estate | Infrastructure | Digital Assets | Venture Capital | Private Equity | Legal | Risk Management | ESG | Sustainability | Regulation

With our guests coming to each event from across The UK, Africa, APAC, Middle East, North America, LATAM, and Europe, our audience represents the key decision-makers and capital allocators driving the evolution of global public & private markets.
