Dear Bryden Smith:

RE: Community Facility Enhancement Program (CFEP) Large Grant

On behalf of the Government of Alberta, I am pleased to advise you that your Community Facility Enhancement Program (CFEP) Large Grant Application No. CFEP-00112667 to assist Medicine Hat Curling Club Ltd. with equipment purchases to the Medicine Hat Curling Club has been approved for \$871,380. An electronic transfer of funds will be sent to your bank account in the coming weeks and notification will follow.

As Minister of Arts, Culture and Status of Women, I am extremely honoured to support the work of non-profit organizations that aim to foster healthy, vibrant communities across Alberta. The Government of Alberta is proud to support organizations that improve the quality of life in our communities.

The CFEP Large grant funding approvals require the grant recipient to enter into a formal grant agreement with the ministry outlining the CFEP Large program. Staff will provide the grant agreement to be signed by a signing authority within your organization and the ministry representative.

Your organization is to be commended on its hard work in connection with this large community project. It will have a positive effect on the quality of life in our community.

If you have any inquiries, please contact program administration at 1-800-642-3855 or [CommunityGrants@gov.ab.ca](mailto:CommunityGrants@gov.ab.ca).

I wish you continued success with your important work.

Sincerely,

Honourable Tanya Fir  
Minister of Arts, Culture and Status of Women
